VALTUS ALLIANCE STRENGTHENS ITS PRESENCE IN AFRICA WITH A NEW MEMBER: SUMMIT RECRUITMENT & SEARCH AFRICA

Valtus Alliance is expanding its international reach with the addition of a new member in Nairobi, Kenya: Summit Recruitment & Search Africa. This marks the Alliance's second partnership on the African continent, following the arrival of Talent Network Global in South Africa earlier this year.

Since its launch in 2023, Valtus Alliance has expanded rapidly, growing from a founding group of members to a network now present on all five continents, across more than 30 countries. This continued growth reflects rising international demand for Executive Interim Management, as organisations look for experienced leaders who can move quickly, adapt to new markets and deliver results in multicultural environments.

A Kenyan Partner with Extensive Expertise Across Africa

As a regional hub for trade, technology and international investment, Kenya connects multinational companies to opportunities across Eastern Africa.

Headquartered in Nairobi, Summit Recruitment & Search Africa provides world-class talent sourcing, executive search and recruitment services to a diverse range of organisations throughout East Africa, from multinational corporations and non-profits to SMEs and innovative start-ups. With more than 20 years of experience across the continent, a team of 14 specialist consultants and expertise spanning 21 business sectors, the firm combines an in-depth understanding of the African talent landscape with an international suite of psychometric assessment tools to rigorously evaluate candidates' suitability and cultural fit.

"Companies operating in Africa need leaders who can move fast and understand the market from day one. Joining Valtus Alliance means we can now match that speed and local insight with the strength of a truly global network, a combination our clients have been asking for," **said Sue Withers, Managing Director at Summit Recruitment & Search Africa.**

The partnership further strengthens Valtus Alliance's international platform, connecting clients with trusted local expertise and established regional relationships while creating new opportunities for cross-border collaboration, knowledge exchange and executive mobility. Summit Recruitment & Search Africa's experience across Eastern Africa makes it a natural fit as the Alliance continues to grow its presence on the continent.

"Africa continues to be a strategic priority for Valtus Alliance, and welcoming Summit so soon after our expansion into South Africa demonstrates the momentum behind our ambitions on the continent. With its strong track record across East Africa, Summit provides our clients with a trusted, high-calibre gateway to one of Africa's most dynamic and fast-growing regions," said **Aymeric Bas, Managing Partner International & Chief Revenue Officer at Valtus.**
